## Welcome to Athlone Annual Sale

At Athlone we believe the secret to ram virility and longevity is a combination of good genetics and keeping rams in optimal shape- not overfed and not too light. This approach is proven: in thirty years of breeding rams, we've never had a client report fertility problems. For this reason we're happy to guarantee our rams for the first year.

As always, if you have any questions or feedback for us, do not hesitate to get in touch. We forward to seeing you soon,

Henry, Karen, Damian and Lucy Cameron
